Wins 2007 Benjamin Franklin Awards – Best History and Reference Book

Quill Pen Press is proud to announce that **New England Court Records: A Research Guide for Genealogists and Historians** won the 2007 Benjamin Franklin Awards for Best History Book and Best Reference Book, and was a finalist for Best New Voice in Nonfiction! The Benjamin Franklin Awards are sponsored by PMA, the Independent Book Publishers Association, celebrating excellence in editorial and design for titles published in 2006. Awards were presented in New York City on May 31, 2007, on the eve of BookExpo America 2007, at which time winners were recognized for setting the standards and the pace for the publishing industry. Judges for the Benjamin Franklin Awards come from all areas of the industry: major newspaper and trade media reviewers, bookstore and library buyers and reviewers, non-competing publishers, and artists and writers who serve the industry.

New England Court Records: A Research Guide for Genealogists and Historians, published by Quill Pen Press in 2006, helps people to discover ancestors and trace regional history from the 17th to the 21st centuries. As one judge of the Benjamin Franklin Awards wrote:

"This is a really excellent research guide for genealogists and historians and should be very helpful to folks just getting started. I especially like the invitation to visit the publisher's website for updates to the materials contained in the book. The author's enthusiasm for her subject matter is obvious."
